

To register as a business: Go to the website [www.BoloCop.com](http://www.BoloCop.com) and click on the “SIGN UP TO RECEIVE ALERTS” box.

Next choose the “business” member option to register as an employee or owner of a business location.

Next, fill-in the information including setting up a log-in and password. Since the system is fully automated, the alerts are sent based on the information you provide. Your log-in and password allow you to make any changes.

Finally, the Alert Preferences area of the form requires you to designate what Alerts you want to receive as well as what type of business you are employed and/or own based on the U.S. Census Bureau's **North American Industry Classification System (NAICS)** code. To receive a wider range of Alerts, you can check all boxes and include more than 1 NAICS code.

**Alert Preferences**

These alerts need to come to me by (choose one):  
Additional charges may apply for alerts sent by fax

Email  
 Facsimile Transmission

Send me alerts when they are targeted to the following (Businesses MUST sign up using NAICS code):

Note: NAICS is a standardized numeric system for classifying businesses into different industries. For a current list of NAICS codes, [click here](#).

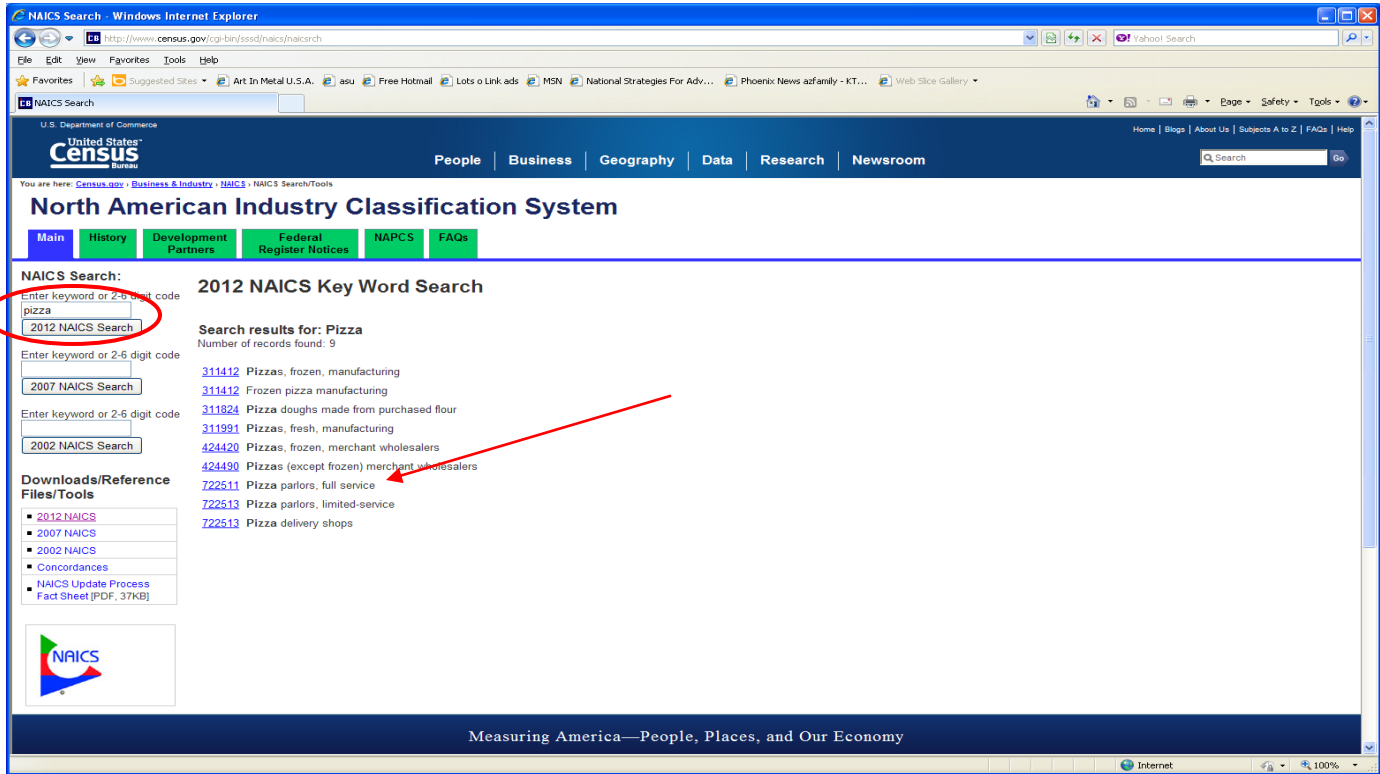

NAICS Code(s) Required - Separate with commas  
 My ZIP Code (For a ZIP code lookup utility, [click here](#))  
 My City  
 My State

To find your NAICS business code place simple descriptor in the search engine area. For example, let's say you own a Pizza Parlor. Place "pizza" in the search engine and choose the code describing your business.

You can then include this information in the space provided. This information will allow law enforcement the opportunity to get trend specific information to you based on the type of business that you own and/or work at.
